Description:

From the Inside Flap "With a pastor's heart and a strong Biblical grasp, Brian Jones shows the importance of having an eternal perspective for today. Hell Is Real will challenge you to reconsider the Bible's teaching on this important topic and to work out the practical implication for our lives. Compassionately written and intelligently argued, this is a message we should all wrestle with and take to heart."

- Jud Wilhite, author of Throw It Down and senior pastor of Central Christian Church, Las Vegas

"Brian Jones is a courageous voice of truth, grace, and love. His writing always challenges me and his life inspires me. This book moves me, as it will you. It will be a significant tool for our dialogue on an important subject. The stakes couldn't be higher."

- Gene Appel, senior pastor, Eastside Christian Church

"In a time when many are trying to do away with hell, Jones accepts its reality without compromise and shows us Biblically why we must do the same. In addition, this book comes straight from Jones' heart. In it we are confronted with sound doctrine, but are also moved by the author's personal testimonies and by the abundance of illustrative ministry experiences that appear throughout. Jones not only effectively convicts us of the 'apocalyptic urgency' of warning sinners about hell, but also gives very down-to-earth lessons on how to evangelize. I hope every Christian reads this book, and every preacher uses it as a sermon resource."

- **Jack W. Cottrell, professor of Theology, Cincinnati Christian University** --This text refers to an out of print or unavailable edition of this title.
