Description:

Review "Having been dismissed from her position at Oxford University, psychologist and dream scholar Elena Burroughs (*Book of Dreams*) accepts her agent's request for another book tour, but before long, Elena is having disturbing dreams of her own—dreams that predict a financial collapse. Rachel, a clinical biologist and colleague, asks Elena to help one of her patients who is experiencing the same disturbing dream. VERDICT Three-time Christy winner Bunn's terrific follow-up to his series debut is a suspenseful page-turner with a touch of the paranormal and plenty of memorable characters and exciting action. Terri Blackstock's many fans will enjoy this one." (*Library Journal*)
